All Falcon machines are built with pride in Midland, Michigan. Falcon hot boxes and recyclers give you unparalleled **versatility**. You can **transport cold mix**, keeping it warm during the winter months and making it easier to work with; you can **transport hot mix and keep it hot all day**; and you can **hold hot mix overnight**, keeping it warm for up to 48 hours. You can also **reclaim unused hot mix**, eliminating the waste of good material, and you can **recycle asphalt chunks and millings**. All of this makes Falcon the most versatile machine you can buy for pavement preservation.

THE FALCON ADVANTAGE

Large Unloading Door
For Easy Access

Patented Heat
Management System

Patented VIP - Low
Voltage Shutdown
